Team Priorities

Oxley

Off Road Motorbikes A number of reports have been made over the last 12 months in relation to off-road motorbikes in public open spaces across the Oxley neighbourhood ward.

The team continue to gather intelligence around this and increase patrols around this seasonal trend.

It is important that we receive as much information as possible about those responsible. If you spot any, please provide us with full details of the vehicle (size, colour, markings, registration number, etc.) along with description of rider/driver (age, gender, height, build, clothing, etc.)

Please gather as much information as possible in relation to any sightings in relation to this and pass the information to us via our **online Web Chat** by visiting www.west-midlands.police.uk or telephoning 101. Please do not email this directly to us our mailbox is not monitored 24/7.

Drug Dealing The team continues to gather intelligence in relation to the distribution of cannabis and class "A" drugs on the Dovecotes and Rakegate Estates.

If you have any information regarding drugs offences then please contact via our **online Web Chat** by visiting www.west-midlands.police.uk or telephoning 101. Alternatively you can contact Crime Stoppers anonymously on 0800 555 111.

Speeding The team continues to receive complaints of speeding across the ward however we have been carrying out extensive work to tackle this and raise awareness about this issue.

We have continued to conduct 'Community Speed Watch' initiatives and are always keen to hear from community members who would like to get involved. Please contact us via bushbury@west-midlands.pnn.police.uk if you would like to get involved.

We have also been working with our colleagues with the 'Road Harm Reduction Team' who have been assisting us with enforceable operations resulting in numerous motorists being prosecuted.

Bushbury North

Anti-social Behaviour Wood Lane and The Woodbine public house This is a historical issue that we feel has subsided in recent months after officers have been proactively targeting individuals responsible. This has resulted in us issuing a number civil interventions to those responsible in order to restrict their behaviour within this area.

Bushbury South and Low Hill

Speeding on Bushbury Lane, Second and Fourth Avenue Speeding has been a raised as a community concern for a number of months however we feel these issues have decreased following a number of 'Community Speed Watch' initiatives. The most recent operations, both held within 'rush-hour' have resulted in no motorists being found to be travelling in excess of the speed limit.

Fallings Park

Long Knowle park, Blackwood Avenue We have recently seen an increase in reported Anti-Social Behaviour in and around the park on the Long Knowle estate, mainly in the park area - we swiftly conducted additional patrols and identified a number of youths that were potentially responsible. We have now spoken to a number of them in partnerships with the City of Wolverhampton Council and Wolverhampton Homes. This has resulted in a number of the youths being issued with 'Acceptable Behaviour Contracts' which could ultimately impact on further civil interventions being taken against them.

Crime Figures

July 2019

July 2019 = The amount of crimes that have been reported to us in that month.

YTD = Crimes reported to us from 01 July 2019 until 31 July 2019

Difference = Crimes reported to us in comparison to last year's total figures.

Bushbury Ward			
	July 2019	Year to date	Difference
Burglary Residential	4	13	-20
Burglary Business	0	3	-4
Robbery	0	7	-2
Criminal Damage	1	1	-4
Theft from Vehicle	3	24	+10
Theft of Vehicle	4	11	+5
Shop Theft	1	15	-13
Total (YTD)	63	276	+1.5%

Low Hill Ward			
	July 2019	Year to date	Difference
Burglary Residential	5	35	+10
Burglary Business	6	22	-3
Robbery	3	14	+8
Criminal Damage	2	12	-8
Theft from Vehicle	9	21	-9
Theft of Vehicle	3	12	-8
Shop Theft	3	19	-28
Total (YTD)	133	518	+1.8%

Burglary Business	0	1	-3
Robbery	2	13	-7
Criminal Damage	5	9	-2
Theft from Vehicle	2	7	-6
Theft of Vehicle	2	9	-
Shop Theft	2	29	+3
Total (YTD)	69	291	-

Reducing Vehicle Crime

+ Vehicle security

Remember to remove it or lose it. It really is that simple when it comes to keeping your car and your belongings safe.

Don't be a sucker

Sat navs, MP3 players, laptops, coats and even loose change can attract opportunist thieves, so make sure that all valuables are removed from your vehicle before leaving it. And don't just leave them in the glove box – it's often the first place that criminals will look. When removing your sat nav, make sure to wipe away the suction mark left on the windscreen – this is a telltale sign to a criminal that a device may be in the vehicle.

Lock it or lose it

It only takes a thief seconds to enter your car, so whether popping into the shops or de-icing your vehicle – always remove your keys. Likewise it is important that you remember to lock your vehicle and activate your alarm or immobiliser if you have one.

Don't park dark

Criminals love using the cover of darkness, so try to park in well lit, open areas. If you have a driveway or garage, make sure you use it. It's better than leaving your car on the road and makes it more difficult for prospective criminals. If you are out try to find a secure car park, many of which are identified by the 'Park Mark' icon. For more information visit www.parkmark.co.uk

Twitter snapshot!

Yesterday's photos at Sports day at Sri Guru Hargobind Sahib Ji Sportsfield Guru Nanak Satsang Gurdwara on [#CannockRoad](#), great to meet [@ClaireDarke](#) the mayor of [#Wolverhampton](#) and our own SGT Frear giving his own DNA for a blood stem cell donor [#HelpingToSaveLives](#) [@DKMS_uk](#).

Officers have conducted a speedwatch on the Cannock road this afternoon. 80 cars were checked and none found to be exceeding the speed limit.

We're working with our colleagues from the [@WMPSRG](#) team conducting an enforceable speed operation along the [#WobastonRoad](#) [#Wolverhampton](#) in an attempt to further educate motorists at this location.

Today's speed operation was held for 1h30m with 12 motorists being dealt with for speeding offences. The figures are going down from previous ops so this is a good result from joint work with [@WMPSRG](#). Education is key [#30mph](#) [#ItsALimitNotATarget](#) [#RoadSafety](#) [#SpreadTheWord](#)

Another cannabis factory that has been taken down in the [#LowHill](#) area. Thanks to [@ResponseWMP](#) for finding it. 🚔👮 [#Oneteam](#) ❤️

What is WMP Online?

WMP Online addresses the public's digital expectations for a modern police force by providing a host of exciting new digital communications channels.

At the heart of it all sits the new West Midlands Police website, however it's much more than just that.

It's a move that transforms the way we interact with you and has been driven by a huge appetite for us to 'go digital'.

You are now able to contact us as you please - whenever, wherever and on whatever device you choose.

What are the benefits:

- New channels mean you can contact us quicker and easier and access advice on the go
- Improved communication between us and you when incidents are reported via a secure user portal
- See all of your incidents in one place and access your updates securely (if reported online)
- Reporting and tracking incidents online is designed to be more convenient for businesses
